RECREATIONS

ORPHEUM.

There was another capacity house at the Orpheum last night and a pleasant audience. More for the money was never given than Manager Cohen is providing his patrons during the Orpheum's engagement. Frank Barle, who returned to the stage on Monday night, made a big hit with his Dago act and proved himself a comedian of more than ordinary versatility. The girls made more friends last night by their clever singing and dancing, the illustrated song being well-rendered. It is said of this company that they have a greater repertoire than there are days in the year, that they could change every night and not get out of sketches. This is interesting for the audiences will go to the Orpheum with a feeling that they are not going to see anything they had seen there before.

THE GEM.

Tonight there will be a complete change of program again at the Gem Theater, when for the first time in the United States a scene from Leo Falls' opera "The Dollar Princess," will be produced. This opera will shortly be staged in New York for the first time. This will give Honolulu audiences an opportunity to be in the lead of New York. The film will be shown for two nights only. There will be three more talking pictures, eight silent pictures and one illustrated song, making the whole a big attraction for the moderate charge of admission.

NIGHTINGALES' CONCERT.

There is a brisk inquiry for tickets for the concert and dance to be given by the Crescent City Nightingales in the K. of P. hall on Saturday evening next. There are a great many Hilo people in town at present and they will be there to a man. The singing of the young ladies at the moving picture theaters has given universal enjoyment and the fact that they have reserved their best selections until Saturday should pack the hall with lovers of music and a good time.

FRENCH PICTURES.

Some very fine French pictures by the Pathe Freres are being shown at the Empire this week, some of which are among the cleverest sent here in months. The "Merry Widow" waits is a clever and funny one, while the Norwegian picture showing scenes in the woods, worked into a fine story of love and devotion, are among the best. The Norwegian film should be seen.

PARK THEATER.

The Winter Carnival at Montreal, Canada, showing winter sports and pastimes is the feature film for this evening. Mr. Carlisle is being recalled time and time again each night. This musical act is unique and his stories cause much laughter. On Thursday night he will introduce new songs and stories. "On the Old Sea-Saw," sung by George Milne and chorus, is taking well.

ART THEATER.

"A Bird in a Gilded Cage" is the very suggestive title of the Art Theater feature film for the new program today. The musical attraction will be special selections rendered by the ever popular Magnaphone, with an entire change of program.

BAND CONCERT.

The Hawaiian band will give a public moonlight concert this Wednesday evening at Anala park at 7:30. The program follows:

PART I.
March—Umm Pa (new) Brown
Overture—Welcome Catlin
Intermezzo—North Beach (new) Brown
Selection—The Fair Co-Ed Luders
PART II.
Vocal—Hawaiian songs, ar. by Berger
Selection—The Merry Widow Lehar
Intermezzo—In Cupid's Arms (new) Brown
Finale—Brotherhood (new) Brown
The Star Spangled Banner.

BUGS RIDING BLIND BAGGAGE

Enemies of Hawaiian Is Flora "Finched" In Mails

While people scare up imaginary trouble with the Japanese, the government is fighting a much more dangerous army, that of insects, riding the articles of commerce from every point of the compass and ready to attack and damage the agriculture of the Hawaiian Islands.

In a report of Jacob Kotinsky to the Board of Agriculture, read this afternoon, he states that out of thirty vessels arriving, fifteen brought parcels for their inspection. Many pests including various kinds of beetles, cockroaches, etc., were cornered while trying to evade the bug immigration officials riding on orchids from Manila. Chaff scale was caught coming from Japan, and several other varieties, leaf hoppers, etc., came on a Nephelium. Larvae of a banana borer, a colony of ants, rose leaf caterpillars and a longhorned rose borer came from Singapore. Bean weevils were plucked coming in an envelope of beans from Spain.

Sand-bling grass was sent by the last Florence Ward to Midway Island at the request of the Commercial Cable Co. It is also said to be good for fodder.

The Arizona dung fly, imported to attack the horn fly, is not living up to its reputation but is earning its living by wiping out the stable fly, also a blood-sucking insect. Other enemies of the horn fly have been received from Mr. Koebele and turned over to Mr. Swezey at the Sugar Planters' station for attention.

JURORS EXCUSED NON-ATTENDANCE

All those petty jurors who were absent Monday from the Federal Court offered satisfactory excuses this morning to Judge Dole and their failure to attend was excused. Those who answered in court this morning stated that they had not been notified of the trial.

Julius Asch was excused from permanent attendance, as he has been engaged as jailor and is thus disqualified. J. P. Rodriguez was also excused, as he has never taken the oath of allegiance to the United States since annexation, and is thus not a citizen.

H. B. Giffard was excused until next Tuesday, and Willard Brown was excused until the 12th.

Kuroiwa changed his plea from not guilty to guilty and will be sentenced Friday. Hernda, whose case was called for trial, also changed his plea to guilty after the court had taken a ten minutes recess to permit him to consult with his attorney, E. A. Douthitt. He will be sentenced Friday also.

Sato Ona was a third to change her plea to guilty and will be sentenced next Wednesday.

Having on board her the Hawaiian delegates to the World's Christian Endeavor Conference at St. Paul, Minn., the steamer Hilonian, Captain Frederickson, arrived this afternoon from San Francisco, docking at 2:30 o'clock.

She made a pleasant trip from the States. Among those who returned today were Capt. J. C. Lorenz, Judge Wm. Werner, Judge A. S. Mahaulu, P. N. Kahokuoluna and Rev. Moses Nakuluna. Mrs. C. H. Siemen, whose husband died in Seattle, also returned today with the remains of her husband.

According to Wilson's story everybody hit him several times and he always turned the other cheek. Judge Andrade, however, shut down on the accused to the tune of \$15 and costs.
